

April Handicap 2018

Report

A cool sunny night for running our first summer handicap. The conditions underfoot were however very wet and muddy making running a fast time very difficult. However one member did manage to break his handicap time on the night. Scott Laight had an excellent run knocking just under a minute off his time. Well done Scott on a very well deserved handicap win. John Donneky had an excellent run finishing in 2nd place and Sam Redgate finished in a strong 3rd place.

There were two qualifiers this month Dave Reay and Haydn Williamson. Well done to both.

In the overall series Jayne still has a good lead however the chasing pack have all made up some points. Mark Charlton is still in 2nd place 8 points ahead of John Donneky in 3rd while Sam is a further 7 points behind in 4th. There is still along way to go, remember it's your best 8 races to count.

The next Handicap will on Tuesday 1st May, let's hope the ground has dried up alot and the weather is a lot warmer.
